PRINCE KUHIO MAKES CLEAN SWEEP OF THE ISLAND OF OAHU AND IS DELEGATE ELECT

PRINCE JONAH KUHIO KALANIANA'OLE was yesterday elected by the voters of the Territory of Hawaii as delegate to the Fifty-eighth Congress of the United States.

The Republican victory, to which the young Hawaiian led the party, is most impressive when the figures are scanned, showing that the citizens have experienced a complete change of heart, in that the victory is due largely to the reversals in the strongholds of the Home Rule party, and the vote shows that in the Fifth district, which has been regarded as strongly Wilcoxian, the Prince got a majority of two votes, while in the precincts of the fourth, which are generally regarded as Home Rule, he gained materially over the vote of Parker two years ago.

Hawaii was the only outside island from which reports had been received up to 1 o'clock, and those indicated that the figures of Admiral Beckley would be approximated. H. H. Renton wired from Kohala that from the returns of thirteen out of seventeen precincts of the big island, the Prince had a majority of 542. Should this average of majority be kept up, the island would give 700 majority for Kuhio, while, with a certain majority from Kauai and a chance for a great victory on Maui, there seems an outlook that the final figure will indicate a victory by close to 2,000 votes.

The precinct returns show the greatest gains in the Fourth district, especially in precincts like the Third and Fifth, but the fact that the Home Rule vote was cut down so materially in the Fifth district, especially in the big Seventh precinct, where Charles H. Clarke made good his promise to redeem the precinct, cutting down what was believed to be a Home Rule majority of 300 to 100, made it possible to roll up the vote which is the certificate of the Prince to membership in the grand army of Republican members of the next Congress.

Prince Kalaniana'ole takes his victory calmly, he never having lost faith in the campaign of education which he has carried on.

The workers of the Republican party all express the greatest satisfaction over the returns and all unite in the belief that the redemption of the Territory is practically complete, that there will be never again a Home Rule majority, that the rule of Wilcox is at an end. Chairman Crabbe said last evening:

"Isn't it a glorious victory?"
"It is a complete political revolution. The people have spoken with decided voice. They have determined to wipe out all trace and evidence of misrepresentation at our National Capital."

"Yes," continued the Chairman of the Territorial Central Committee, "I feel that the result of Tuesday's election will have a directly beneficial influence upon every business interest in the Territory, and indirectly upon every individual living here. We show the American government that we are with the administration, that we endorse it, and that we desire its support."

"Prince Cupid has won his victory largely by the manly, honorable and

STATEMENT MADE BY PRINCE KUHIO

I feel a deep sense of responsibility, and a profound appreciation of the trust which the Hawaiian people have placed in me.

The result shows that wherever I have spoken the people have accepted my arguments and have chosen to follow my leadership.

I am pleased with this exhibition of their confidence, and certainly every effort of my career will be directed along the lines which I have laid down in my campaign.

be a check to bad legislation such as was experienced two years ago.

"No small share of the victory is attributed to hard, honest and earnest work on the part of the precinct leaders. To my colleagues on the executive committee I desire to express my thanks for their earnest co-operation, by day and by night, during the last three months. There is nothing like the old motto, 'United we Stand, Divided we Fall.' I am sure we have all done our best and can only hope that our friends will be satisfied."

"I must also thank the press, especially the Advertiser, for the way in which they assisted our campaign."

Secretary Atkinson said: "The result

At 3:30 a. m. the Oahu returns were not all in, but such as had come to hand appear below. Except for Mr. Renton's message from Kohala, announcing a majority for the Prince of 542 in thirteen out of seventeen precincts on Hawaii, no news has arrived from the other islands. The wireless messages from the outlying districts, except Kauai, are supposed to be stalled at Molokai. The Kauai news will come by steamer this morning.
